# School Policy for Supporting the educational outcomes for Children Looked After (CLA)

February 2022

At *Gladestry CiW School* designated teacher for CLA is .....Mrs Ingram.....

The link Governor responsible for CLA is ...Mr J Wellard.....

### **Introduction**

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, Children Looked After are particularly vulnerable to underachievement. Nationally, Children Looked After (CLA) significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experience and compounded by instability in their personal circumstances.

Helping CLA succeed and providing a better future for them is a key priority in our school. Our school recognises that Children Looked After can experience specific and significant disadvantage within a school setting, and we are committed to ensuring that they reach their potential in all areas.

We are aware that some Children Looked After may have specific difficulties in obtaining transport and attendance, completing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining correct uniform and equipment, as well as possible stigma about their circumstances. We recognise that Children Looked After may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

**Children Looked After may (or may not) experience some of the following difficulties:**

- ***low self esteem***
- ***poor education achievement due to time out of school***
- ***unidentified additional learning needs owing to frequent placement moves***
- ***poor engagement owing to the factors above***
- ***delayed social/emotional/ cognitive development***
- ***prone to mental health issues***
- ***isolated with few opportunities to interact with peers***
- ***present with challenging behaviour***
- ***demonstrate complexities in attachments to others.***
- ***have a need to be very private***

This makes children looked after an extremely vulnerable group in terms of education and future life chances.

At Gladestry school we believe that the educational experience of all children should be positive and powerful and we aim to provide a learning environment in which every Child Looked After can be successful. We believe that this school has a major part to play in ensuring that our CLA are able to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing

### **Aims**

The aims of the school with relation to CLA:

- ***To work closely with the virtual school for CLA to ensure the best possible educational outcomes for LAC.***

The school and the governing body endorse the Powys County Council policy and welcomes CLA who may be looked after by our local authority or those who may be in the care of another authority but living in Powys. Our approach to encouraging and supporting the educational achievement of Children Looked After is based on the following principles:

- Appoint a link Governor for CLA

Exclusion will only be considered as a last resort. Where a fixed term exclusion is considered the school will consult with the Specialist Teacher for CLA prior to the exclusion and Powys County Council's lead safeguarding and attendance officer, Michael Gedrim. to consider what additional support can be provided to prevent exclusion.
